MOUNT ROYAL

ON a sunny hillside overlooking the country of the Allegheny stands Mount Royal Cemetery, its 200 acres of broad lawns and rolling lands richly endowed by nature and rich in tradition of Pennsylvania's early pioneers.

The soil is dry and well drained, the bloom of the flowers and shrubs which adorn it attesting to its fertility.

Over 500 feet above Pittsburgh, the air of Mount Royal is clear and bracing with the prevailing wind blowing towards the city. Here, in the peace and quiet of the hills and only four and a half miles by Aspinwall or Sharpsburg Bridge from East End, lies one of the most comprehensive pieces of landscape gardening to be seen in any of Pittsburgh's richest suburbs.

It is a park property of great natural beauty, the corporation which governs it providing a maintenance fund for its care and improvement in perpetuity, without taxation or assessment upon the lot-owners.

BY trolley over the Pittsburgh and Butler line, Mount Royal is but a short ride from Penn Avenue and Sixth Street, Pittsburgh's excellent suburban trolley service connecting the cemetery with North Side, Sharpsburg, Etna, Millvale, Bennett, De Haven, Allison Park and all the remaining countryside reached by transit facilities.

The P. & W. Division B. & O. Railroad furnishes patrons direct connection with the down-town section of the city which is only seven miles away.

The funeral-car service, which for years has been established in New York and Chicago and is now actually a necessity, is offered to patrons of Mount Royal, affording them quick and comfortable conveyance direct to the entrance.

By carriage the cemetery is easily approachable by way of Butler Turnpike, one of the best-constructed roadways and most attractive drives leading out of Pittsburgh.

Upon arrival at Mount Royal, Stewart Lodge offers rest, retirement and refreshment, and the chapel, all the privacy and retreat to be found in a completely appointed place of worship.

FOR the convenience of persons wishing to view Mount Royal, a representative of the Cemetery will be found at the Lodge to show lots and give any information desired.

Lots of various dimensions are arranged in locations to suit with prices according to location. Circular lots varying in area from 800 feet upwards may be had. Lots are sold as small as 10 feet front by 10 feet deep.

Prices may be had upon application to the Cemetery office. Corner Posts, $3.00 each.

Sufficient space is allowed in each lot for a monument or headstone and no charge is made for grading or for mowing grass.

Special single graves in reserved lots may be used for regular interments, or as receiving graves—price of adult's grave, $15.00; children's grave, $10.00. If an adult's grave is moved at any time, $10.00 will be returned, and $7.50 for a child's. No charge will be made for removing remains from the Receiving Tomb or from single graves to a private lot in the cemetery.

RECEIVING TOMB INTERMENTS are subject to a deposit for each adult, $25.00; for each child under 10, $18.00. Refunds will be made, as follows:

For removal within ten days in the cemetery, the full amount; within three months in or out of the cemetery, for each adult, $20.00; each child, $14.00; within six months, each adult, $13.00; each child, $8.00. If not removed within six months, deposit will not be returned.

Special permission from the Comptroller will be required for continuance over six months and a charge of $2.00 per month for each adult and $1.00 for each child will be made.

For removals from the cemetery $5.00 for each adult and $4.00 for each child will be charged in addition.

BEQUESTS AND GIFTS may be made to the Cemetery Corporation. The statute, under which the Cemetery Corporation exists, authorizes the Trustees to take and hold property, real or personal, bequeathed or given upon trust, and to apply the income thereof, under the direction of the Trustees, for the improvement or embellishment of the Cemetery, or the erection or preservation of any buildings, structures, fences or walks therein, or upon the lots of any of the owners; or for the erection, repair, preservation or renewal of any tomb, monument or other structure in or around any Cemetery lot; or for planting and cultivating trees, shrubs, flowers or plants in or around such lot; or for improving or embellishing the Cemetery, or any of the lots therein, in the manner prescribed by the terms of such grant or bequest.

As a guide to those wishing to avail themselves of the provisions referred to, the form of a bequest, for insertions in wills, will be furnished; also, the form of a bill of sale or transfer of property. These may be altered so as to provide for improving or embellishing the Cemetery, or any of the lots therein, in any other manner or form consistent with the design and purposes of the Corporation.
